

Infant with Selected Adult Association

Advisory number: PA-4410

Version: 01

Effective date: April 20, 2024 12:30am EDT

High level description: A multi-passenger Booking File with a lap infant will be able to be associated with **any** adult passenger.

Impact summary: Infant association can be with **any** adult passenger, not just with the first adult.

Reason for issue: First notification

Impacted customers:

<input type="checkbox"/>	Internal only Advisory	<input type="checkbox"/>	Developers
<input checked="" type="checkbox"/>	Agency customers	<input type="checkbox"/>	Airline customers
<input type="checkbox"/>	eCommerce customers	<input type="checkbox"/>	Car, hotel, rail, cruise customers

System(s):

- Travelport+ (1G)
- Travelport Apollo (1V)
- Travelport Worldspan (1P)

Load to pre-production: Available now

**Web services:
(API and Messaging)** Not applicable

Issue history: Version 01 issue date: April 15, 2024

Overview

In Travelport+ lap Infants can now be associated with **any** adult in the booking file.

When an Infant is associated to an Adult in a Booking File any messaging will be correctly associated and will travel and remain with the assigned adult in all messaging for the life of the booking file.

Customer Benefit

Lap Infants can now be associated with **any** Adult in the Booking File where as previously an Infant was associated to the first passenger.

Detail and Customer Examples

New Entries for Infant / Adult association

SI.P##/INFT-PXX	Assign Infant Passenger to Adult Passenger ¹

Travelport Advisories Listing

The full Travelport Advisory Listing is viewable within [MyTravelport > Help and resources > Resources > Travelport Advisories](#). At a minimum, the last 24 months of Advisories will be displayed. You can easily **sort** the Advisory Listing by any of the data columns presented, in ascending or descending order. You may also use the **filter** in order to filter and sort the Advisory Listing, as required. Advisories are **searchable** from this same screen — you may wish to search for Advisories by specific Advisory number, or by specific key words. When searching by number; remember to include 'PA' and the hyphen/dash in front of the relevant four digit Advisory number (e.g. PA-1234). If wishing to search for Developer Advisories; remember to include 'DA' and the hyphen/dash in front of the relevant three or four digit Advisory number (e.g. DA-123 / DA-1234).

A **PDF copy** of this Advisory is attached to this Advisory record within [MyTravelport](#).
